Our Homes are crafted by Champion Enterprises in Lillington, NC, where the principles of cutting edge technology and design innovation are artfully blended to produce high quality yet VALUE-BASED recreational and residential homes. Leading the competition in experience and value, Champion helped pioneer factory built housing in 1953 and has since become one of America's largest home builders. Thank you for making Factory Expo Home Centers and Champion Enterprises your choice of home builder.

Important: Due to our policy of continuing improvement, all information in our brochures may vary from actual home. The right is reserved to make changes at any time, without notice or obligation, in colors, materials, specifications, processes, and models. All dimensions and square footage calculations are nominal and approximate figures. Please check with your sales person for specific and current information.
